## TEDxDayton Volunteer Training 2013

In the spirit of ideas worth spreading, TED has created a program called TEDx. TEDx is a program of local, self-organized events that bring people together to share a TED-like experience. Our event is called TEDxDayton, where x = independently organized TED event. At our TEDxDayton event, TEDTalks video and live speakers will combine to spark deep discussion and connection in a small group. The TED Conference provides general guidance for the TEDx program, but individual TEDx events, including ours, are self-organized.

### Volunteer Position: End of Program Guides 4:30-5:15pm

**Main Duties:** We need happy people to thank people for coming, hand out their end of day gift, and also point people in the direction of the many after parties! The locations of the after parties are to be announced.

When you are directing people to the after parties, ask them how they enjoyed the event!

**Tips:**  
Do not be timid! If you are not reminding people to remain quiet it could ruin the experience of the audience below. Remember that you are there to maintain, and if at all possible, to improve the quality of the experience for all.

Be enthusiastic! TEDxDayton is a great event and there will be many excited people in the audience. Have a smile on, and share your excitement to be there!

Don't hesitate to ask for help! You will be given your coordinators phone numbers, so if you come into a situation that you feel the need to reach one of us please do not hesitate.
